March 29, 2018

Final grooming update:

Thank you to all the volunteer groomers who have worked all winter to keep the trails clear of brush and debris and track set for users to enjoy. Please continue to enjoy the trails through spring and summer and refer back to this page once we get snow again for updates on grooming.

Trail maps can be picked up at the Town Office or the Bracebridge Sportsplex, Trail head or Chamber of Commerce.

For further information contact the Bracebridge Sportsplex 705-645-3037.
