

**BRACEBRIDGE RESOURCE MANAGEMENT CENTRE  
TRAIL GROOMING UPDATE  
January 16, 2023**

**Grooming Update:**

Town of Bracebridge staff and volunteers have cleared trees from the parking lots and cleared trees brought down on the trails by the winter storms we experienced at the end of December. The snow however has melted and hardened so we now need more snow for the groomers to allow them to use the snowmobiles and track-set equipment for cross-country skiers.

There have been snowshoers and hikers/dog walkers out. Trails are appropriate for those activities. Fat bike trails have also being cleared by volunteers.

Please refer to this page for updates which will be posted as they become available.

For further information, call the Bracebridge Sportsplex 705-645-3037.
