

Bracebridge Day Camp Safety Measures

Camps will focus on fun and creative physically-distanced sports, games and crafts this summer, with activities held outdoors whenever possible.

Camps are a **safe space** to leave your child while you return to work.

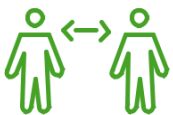

Each group of campers will have their **own room/space**.

Screenings will take place outside for all participants and COVID-19 specific guidelines will be reviewed with campers daily.

Increased frequency of cleaning/disinfecting objects, toys, equipment and frequently touched items.

Activities will focus on **physical distancing**, imaginative play, outdoor play, and crafts.

All staff have **health and safety training** regarding COVID-19.

There are programmers/supervisors on site to ensure that **proper handwashing and cleaning** of touch points occurs frequently.

No parents/guardians or visitors will be permitted inside the building.

Each child will be given **individually packaged and sanitized** craft supplies for the week. When not possible, supplies will be sanitized between uses. Each group will have their own set of toys/equipment.
