The perfect gift for everyone on your list!

## BULK GIFT CARD ORDERS

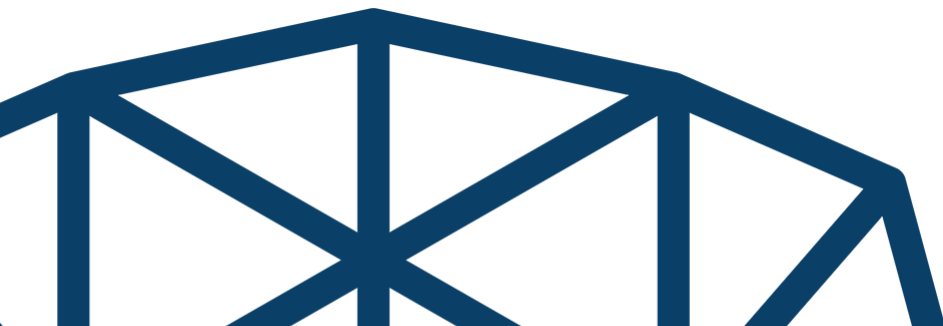

Shop the Bridge gift cards are a great way to give the gift of choice to your friends, family, employees, and clients while supporting local businesses in Bracebridge and ensuring your gift giving dollars remain in the community.

Facilitated by AnyCard, Shop the Bridge gift cards can be purchased in a variety of denominations (\$10-\$250). Gift cards do not expire, and there are a wide variety of local businesses signed up as redemption locations, with more being added on a regular basis.

For your convenience, Shop the Bridge gift cards can be bulk activated as plastic gift cards or digital e-gift cards sent to the recipient's email or cellphone. A 5% surcharge is added by AnyCard to activate bulk orders.

If you would like to place a bulk order, complete the attached form and email to [ecdev@bracebridge.ca](mailto:ecdev@bracebridge.ca).

Once your bulk order form has been received, an invoice will be issued by AnyCard, which can be paid by EFT (preferred/fastest method) or cheque. Once payment is received, the gift cards will be activated.
