ROUTE SCHEDULE, MAP & FARES

Visit the Website for Information on:

- the location of the bus along the route and approximate arrival time;
- transit detours, service delays and interruptions;
- transit rules and regulations; and
- Bracebridge Mobility – a specialized public transportation service for those who are unable to use Bracebridge Transit due to mobility difficulties. The service is a shared-ride service, travelling on a door-to-door basis within the urban service area, based on application approval.
